

# Wild wild west derivative counter

Marty Bebrou Smith

November 1897

You've been slepping so long, that Calculus anigilated all humanity and whole modern civilization was vanished. The humanity had to start over to restore all knowledge we lost. Unfortunately, everyone decided to become stupid cowboys and live in the world of Wild Wild West. I fucking like this live, you can bang as many hot chicks as you want, despite sometimes fuckers like you come to me to solve this boring equations and take derivatives. Oh look, a nigger is running down the hill  
\*bang\* \*bang\*

Ok, ok, let's calculate this bullshit.

The solution is pretty simple and you definetely can do it **yourself**
